### NATIONAL LEVEL CONFERENCE ON LATEST TRENDS IN IT ORGANIZED AT PCTE

The first National Level Conference on **"Latest Trends in IT"** was organized by the Computer Science Society of Punjab College of Technical Education on 17<sup>th</sup> of April, 2010. The society comprises of the students of BCA /MCA and MSc (IT) and is actively organizing the events related to Information Technology like workshops in Programmable Logic Controllers, Industrial visits, guest lectures by the eminent personalities from the Industry every year in the Institute. In the National conference, approx 40 research papers were presented by the young & enthusiastic students of Computer Science stream of different colleges from

all over the country. The energetic Participants arrived from Ghaziabad, Rohtak, Kanpur, Jalandhar and many other cities of the country to present their research papers on the topics like **"Role of Cloud Computing in Education"**, **" Dynamic Data Mining Model For Engineering Management"** etc. The conference was inaugurated by the Chairman, PMET, Wg.Cdr H.S.Gill. Dr K.N.S.Kang, Director General PCTE Group of Institutes congratulated the students for their efforts and said that these types of conferences will act as a great source of motivation and learning for the students for times to come.

He also encouraged that such type of events should be organized in more numbers as there is dearth of IT Conferences in this part of the country. Professor R.Kumar, Dean Computer Sciences delivered Key note address on the occasion. Prof Kumar, Dean Computer Science department said that these types of conferences provide the best platform for the students to explore their hidden talents in the field of Research. He further added that today's world is driven by Information technology and young students participation in such events will help them to understand the development and usage of IT in daily operations. All the faculty members of PCTE staff and parents of the students were also present on the occasion. The faculty members ensured that the students understand the significance of research in the field of Computer Science & it was because of their guidance & constant motivation that almost 25 papers were presented in the technical sessions. In the concluding session all the presenters were given certificates by Wg.Cdr.H.S.Gill, Chairman PMET.
